Opening Ceremonies

The weather has been volatile recently. We DO NOT want to drag everyone to Orlando for the opening ceremonies if it looks like a miniature hurricane outside. We will make a call on this on the day of the event. When the weather is good, Opening Ceremonies is a wonderful experience. If it storms, it is kind of the opposite. We know that this isn't a perfect situation but we will do our best.

We have given all girls attending the Nationals tournament a coral colored T-shirt and flowery sunglasses. When we go to Opening Ceremonies, please wear those items along with comfortable shoes and bottoms (i.e. sneakers and workout shorts/pants). It is also fun to bring additional items to make us stand out. Some examples of this are colorful wigs, funny hats, beaded necklaces, flowers for your hair, war paint, temporary hair dye, etc.

Assuming that Opening Ceremonies is a GO, we will meet at ESPN Wide World of Sports on June 16th at 6:00PM. Traffic will be heavy, so please plan accordingly. We will meet at the big globe outside of the complex (pictured here).

Parents are welcome to attend this free event. There will be a presentation by the AAU president, a torch lighting, announcement of the teams, and fireworks! After the ceremony is over, each athlete is to go with their ride back home, (13s will go directly to the rental house with their parent or chaperone).

logistics for session 1

For the first session (13s) everyone will arrive to the house after Opening Ceremonies. We will order Pizza that night. Please bring your assigned food/drink items this day. We don't play until the afternoon at the Orange County Convention Center on day 1 so we will have a chance to sleep in and have a good breakfast. We will make our way to the gym for our 4:00PM match. The way we perform on the first day will determine our schedule for the next three days.

Logistics for session 2

15s and 18s will all arrive to the rental house on June 20th after 8:00PM, after you have eaten dinner. Please bring your assigned food/drink items this day. Both teams have afternoon wave on June 21st so we will have time to feed them a good breakfast and they can sleep in and explore the pool area. How we perform on the first day will dictate our schedule for the next three days.

Trinket

We have given each athlete a bag of beautiful hand painted sea shells, these are to trade with the team members from the opposing teams that we face all tournament long. Each team trades a trinket with the other teams and it represents the part of the country they are from. We are trading seashells because we are from an awesome BEACH town!

Pick up day

The last day of the tournament, parents must come pick up their athlete and all of their belongings. Parents will be driving their child to the tournament and will take them home after the tournament. We will not be able to transport any athletes on the last day of each tournament session. Getting out of the house is going to be a big job so everyone needs to arrive ready to efficiently get packed up, empty the fridge, strip the beds, and leave the house nice and tidy.
